Delivering The Quality & Perfection

ABOUT US

EMKEY is known for its high-quality, timely and reliable service delivery, powered by a team of highly skilled and trained engineers. we leverage cutting-edge technology and modern equipment to ensure precision, efficiency and safety in all operations.

WE ARE

EMKEY Precision & Engineering Services was founded on 6th April 2007 in Johor Bahru, Malaysia. With a strong foundation and a growing client base, the company was upgraded and incorporated as EMKEY Precision & Engineering Services Sdn. Bhd. on 25th October 2012.

Continuing its expansion, a new branch was established in Penang on 5th February 2018 to support our operations in northern Malaysia. We are a general contracting and engineering solutions provider, certified under ISO 9001:2015, and recognized for our technical expertise, quality service, and customer-centric approach.
